

仕上りサイズ:W148×H210mm

Technical drawing of a 3D object, likely a mold or container, showing dimensions and a label.

The object is a rectangular prism with a trapezoidal top surface. The dimensions are:

- Top edge (left): 74mm
- Top edge (right): 74mm
- Bottom edge (left): 148mm
- Bottom edge (right): 148mm

A red label is attached to the top surface, with the text "塗布されます。" (Coated) written in red. A red circle highlights the bottom-left corner of the object.

圧着部分を開きやすくするためにカドを斜めにカットしています。
